

Automobile Alley Neon Sign Grant Policy Statement & Application

Automobile Alley Association will consider a \$1,000 to \$3,000 grant for neon and LED “neon” signs that meet ALL of the following criteria:

- Property and business owners believe sign will be in place for a minimum of two years.
- Sign design was presented to the Automobile Alley design committee and approved by the board of directors prior to installation.
- Sign has all proper permits from the City of Oklahoma City prior to applying for the grant.
- Neon sign is located within the Automobile Alley BID district or historic Automobile Alley district boundaries.

Additional information:

- Submit sign design and supporting documents to Design Committee first.
- To schedule a time to present sign design to the Automobile Alley design committee, contact Joe Hudson at Joe@downtownokc.com or 405-526-6915.
- Design Committee reviews/approves prior to the sign being presented to the AA board.
- If the application has been approved by the board of directors, the owner has a maximum of 12 months after the installation of the sign to request payment of grant funds.
- To inquire about City of Oklahoma City sign permits, please contact the Permit Call Center at (405) 297-2948 or visit the Development Services office at 420 W Main St., 8th floor, Oklahoma City, OK 73102.
- The amount of the grant awarded is at the discretion of the Automobile Alley Board of Directors, and only blade signs (two-sided) cantilevered from building will qualify for the grant maximum (\$3,000).
- The board reserves the right to approve or deny any grant for any reason.

Please email or mail this form to the address below after all criteria have been met. Feel free to attach any additional materials you would like to provide, such as proof of permits, sign design and engineering plans, a 3-D image or rendering of the sign on the building at proper scale, payment receipts, etc. Applicant will be contacted within one month of receipt of application. Grants are given on a first come, first serve basis as funds allow.
