ABOUT LIGHTS ON BROADWAY

Every holiday season, nearly one million lights transform Historic Automobile Alley into one of Oklahoma City's most beloved holiday destinations. Now in its 11th year, Lights On Broadway attracts hundreds of thousands of visitors who come to shop, dine, and experience the district from mid-November through mid-January. Last season, the district welcomed more than 460,000 visits, with guests spending an average of 93 minutes in Automobile Alley.

In addition to the season-long light display, Lights On Broadway features two district-wide open house events on December 5 and December 12, bringing

thousands of visitors together for live entertainment, holiday activities, shopping, dining, and family-friendly experiences.

Whether you sponsor the holiday light display, an event activation, or both, your partnership helps create one of Oklahoma City's signature holiday traditions while connecting your brand with an engaged, community-focused audience.

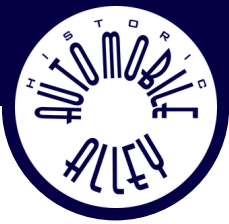

WHERE YOUR SPONSORSHIP GOES

Lights On Broadway is the primary fundraiser for the Automobile Alley Association, a 501(c)(3) nonprofit serving the Oklahoma City community since 1996. Sponsorship dollars go directly toward:

- Season-long Lights On Broadway display
- Holiday events and activations
- Neon Sign Grant Program
- Streetscape beautification and pedestrian improvements
- Year-round programming that supports local businesses and the district

Sponsoring Lights On Broadway is an investment in this neighborhood and in the people who show up for it every year.
